# New Plants 2018

Check out our new plants for 2018, including old favorites making a comeback, and varieties new to the market!

# Perennials (Including Grasses & Ferns)

Plants that die to the ground in winter, but return again each spring

# Moon Dust Yarrow

## *Achillea* 'Moon Dust'

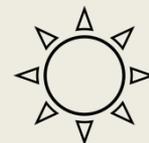

Fairly new to the market. Silvery leaves. Bred for its compact habit and sturdy stems.

**Size (W x H):** 1' - 1.5' x 1' - 1.5'

**Bloom Color:** Yellow

**Bloom Time:** Summer-Fall

# Kudos Silver Blue Hyssop

## *Agastache* 'Kudos Silver Blue'

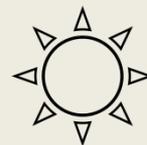

Part of Kudos Series (introduced within last 5 years)- selected for dwarfed uniform height, nice branching habit, resistance to mildew, & drought tolerance. Hybrid of American & Korean species.

**Size (W x H):** 2' x 1.5'

**Bloom Color:** Silvery Light Blue

**Bloom Time:** Summer-Fall

# Storm Cloud Amsonia

*Amsonia tabernaemontana* 'Storm Cloud'

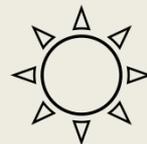

New variety selected for compact rounded shape, black stems, silvery leaves, and clusters of star shaped flowers.

**Size (W x H):** 3-4' x 2-3'

**Bloom Color:** Light Blue

**Bloom Time:** Late Spring/Early Summer

# Alpine Columbine

## *Aquilegia alpina*

More tolerant of dry soils, clay soils, & rocky soils than other columbine. Needs good drainage. Tall strong stems make for good cut flowers. Deep blue/purple color. Long bloom time (up to 5 weeks).

**Size (W x H):** 1' x 1'- 1.5'

**Bloom Color:** Blue Purple

**Bloom Time:** Spring

# Appalachain Sedge

*Carex appalachica*

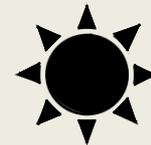

Becoming more popular in the trade. Native to dry woodlands in eastern US. Tolerates drought, and wide range of soil types.

**Size (W x H): 1' x 1'**

**Bloom Color: Brown**

**Bloom Time: Late Spring**

# Pennsylvania Sedge

*Carex pensylvanica*

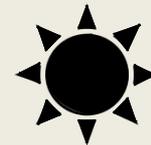

Becoming more popular in the trade. Shade loving groundcover, drought tolerant, use to underplant perennials, trees & shrubs, considered a steppable.

**Size (W x H):** 1/2-1' x 1/2-3'

**Bloom Color:** Greenish

**Bloom Time:** Spring

# Black Beauty Cohosh/Bugbane

*Cimicifuga atropurpurea* 'Hillside Black Beauty'

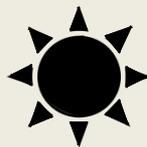

Selected for purple leaves & showy fragrant flowers. Drought tolerant. Prefers organically rich soil.

**Size (W x H):** 4-6' (with flowers) x 2-4'

**Bloom Color:** Purple- White

**Bloom Time:** Late Summer-Fall

# Sylvester Coreopsis

## *Coreopsis verticillata* 'Sylvester'

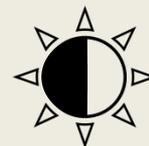

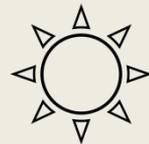

Selected for blooms that are much larger than other coreopsis, and compact bushy habit.

**Size (W x H):** 1.5' x 1.5'

**Bloom Color:** Yellow

**Bloom Time:** Summer

# Blackberry Wine Corydalis

## *Corydalis* 'Blackberry Wine'

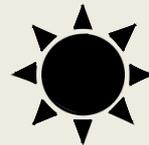

Selected for fragrant showy purple flowers, and lacey fern like leaves.

**Size (W x H):** 1.5' x 1'

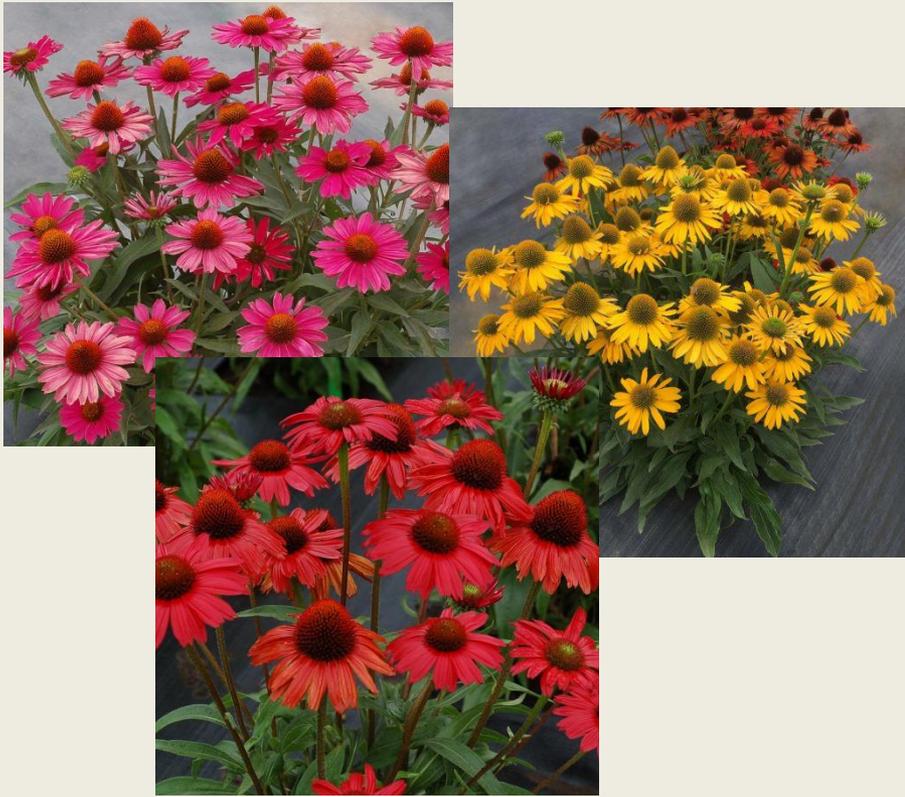

**Bloom Color:** Purple

**Bloom Time:** Spring-Fall

# Kismet Series Coneflowers

*Echinacea* KISMET™ Raspberry, Red, & Yellow

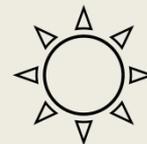

Bred for higher bloom production, extended bloom period, and extreme winter hardiness.

**Size (W x H):** 1.5' x 1.5-2'

**Bloom Color:** Multiple Available

**Bloom Time:** Summer- Fall

# Sombrero Series Coneflowers

*Echinacea* Sombrero Lemon Yellow & Sangrita

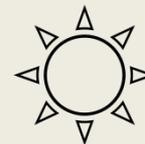

Bred for winter hardiness and compact, well-branched form, and high bloom production, & vibrant colors

**Size (W x H):** 1.5-2' x 1.5-2'

**Bloom Color:** Multiple Available

**Bloom Time:** Summer- Fall

# American Maidenhair Fern

## *Adiantum pedatum*

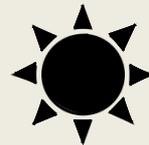

Becoming more popular.  
Native. Unique growth habit.  
Forms large colonies over  
time. SELDOM damaged by  
deer.

**Size (W x H):** 2' x 2'

**Bloom Color:** N/A

**Bloom Time:** N/A

# Sensitive Fern

## *Onoclea sensibilis*

Large coarse texture, bright green leaves. Medium to wet soils. Tolerates clay/ wide range of soil types. Groundcover.

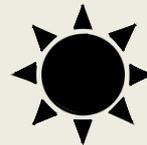

**Size (W x H):** 3' - 4' x 3' - 4'

**Bloom Color:** N/A

**Bloom Time:** N/A

**Soil Type:**

**Soil Moisture:**

# Honeymoon Mix Lenten Rose *Helleborus Honeymoon™* Mix

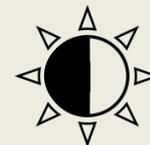

Bred for large number of blooms per plant, and rich flower colors.

**Size (W x H):** 1.5' - 2' x 1.5' - 2'

**Bloom Color:** Mixed

**Bloom Time:** Winter-Spring

# Rome In Red Lenten Rose

*Helleborus 'Rome in Red'*

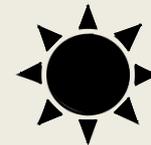

Part of Honeymoon Series

**Size (W x H):** 1.5' - 2' x 1.5' - 2'

**Bloom Color:** Red

**Bloom Time:** Winter-Spring

# Maid of Honor Lenten Rose

## *Helleborus 'Maid of Honor'*

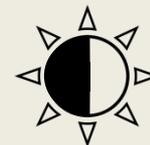

Part of Wedding Party Series-  
large number of blooms,  
double flowers, rich colors

**Size (W x H):** 1.5' - 2' x 1.5' - 2'

**Bloom Color:** Pink

**Bloom Time:** Winter-Spring

# Electric Lime Coral Bells

## *Heuchera* 'Electric Lime'

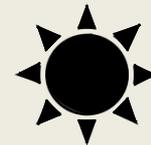

Selected for red veins with bright leaves. High heat & humidity tolerance.

**Size (W x H):** 1-1.5' x 2' - 2.5'

**Bloom Color:** White

**Bloom Time:** Spring-Summer

# Fire Alarm Coral Bells

## *Heuchera 'Fire Alarm'*

Hot red leaves and pink flowers, provides bold texture in partial shaded areas. Villosa hybrid- heat & drought tolerance.

**Size (W x H):** 1'-1.5'

**Bloom Color:** White

**Bloom Time:** Summer

# Flores Sea Coral Bells

## *Heuchera 'Flores Sea'*

Silvery leaves & pink flowers.  
Longer bloom time. Attracts  
pollinators.

**Size (W x H):** 1.5-2' x 1'

**Bloom Color:** Pink

**Bloom Time:** Spring

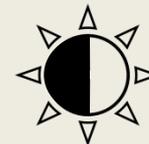

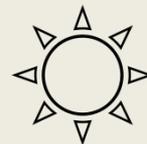

# Big Twister Corkscrew Rush

*Juncus effusus* 'Big Twister'

Large spiraling leaves. Low maintenance. Tolerant of wet areas. Semi-evergreen. Add pine soil conditioner.

**Size (W x H): 1.5-2' x 1.5-2'**

# Black Truffle Cardinal Flower

*Lobelia cardinalis* 'Black Truffle'

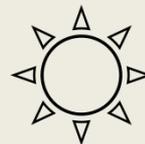

Pretty new to the market.  
Selected for dark chocolately  
leaves and bright red flowers.

**Size (W x H):** 2' - 3' x 3' - 4'

**Bloom Color:** Red

**Bloom Time:** Summer

# Big Blue Cardinal Flower

*Lobelia siphilitica*

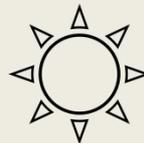

Showy late blooming perennial. Tolerates dry soil better than *Lobelia cardinalis*.

**Size (W x H):** 2' - 3' x 3' - 4'

**Bloom Color:** Red

**Bloom Time:** Summer

# Pink Flamingos Muhly Grass

## *Muhlenbergia 'Pink Flamingos'*

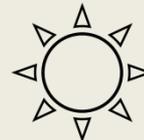

Fine textured leaves with puffy pink plumes in late summer. Heat/Drought tolerant.

**Size (W x H):** 2' - 3' x 3' - 4'

**Bloom Color:** White- Pink

**Bloom Time:** Summer

# Missouri Primrose

## *Oenothera macrocarpa*

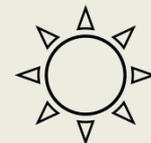

Flowers open in late afternoon and remain open until next morning. Long bloom time. Slightly fragrant flowers. Tolerates drought, clay, rocky, & shallow soils.

**Size (W x H):** 1' - 1.5' x 1'

**Bloom Color:** Yellow

**Bloom Time:** Late Spring- Late Summer

# Deep Rose Penstemon

*Penstemon MissionBells™* 'Deep Rose'

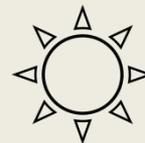

Longer bloom time, faster growing. Unique color.

**Size (W x H):** 2' x 1.5' - 2'

**Bloom Color:** Rosy Red

**Bloom Time:** Spring-Summer

# Pocahontas Penstemon

*Penstemon*

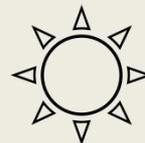

Bred for burgundy stems & leaves.

**Size (W x H):** 2' - 3.5' x 3'

**Bloom Color:** Lavender

**Bloom Time:** Spring-Summer

# Twinkle Toes Lungwort

*Pulmonaria 'Twinkle Toes'*

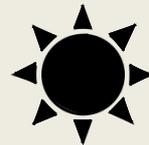

Newer variety. Great for shade gardens.

**Size (W x H):** 1.5' x 1'

**Bloom Color:** Purple-Blue

**Bloom Time:** Spring

# Glamour Girl Phlox

## *Phlox paniculata* 'Glamour Girl'

High resistance to powdery mildew. Long sturdy flower stems. Bright flower color. Long bloom time.

**Size (W x H):** 1.5' - 2' x 3'

**Bloom Color:** Pink

**Bloom Time:** Summer-Fall

# Jeana Phlox

## *Phlox paniculata* 'Jeana'

Exceptional resistance to mildew, and impressive floral display. High nectar content for pollinators.

**Size (W x H):** 1.5' - 2' x 3'

**Bloom Color:** Pink

**Bloom Time:** Summer-Fall

# Blue Heaven Little Bluestem

*Schizachyrium scoparium* 'MinnblueA'

Grey blue leaves, burgundy red fall color, and narrow upright form. Tolerates drought, shallow soil, air pollution, rocky soil.

**Size (W x H):** 1.5-2.5' x 2-4'

**Bloom Color:** Reddish Brown

**Bloom Time:** Summer

# Fuldaglut Sedum

## *Sedum spurium* 'Fuldaglut'

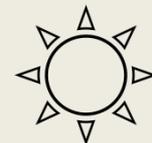

Low growing, mat forming cultivar with maroon semi-evergreen leaves. Tolerates drought, shallow rocky soil, air pollution.

**Size (W x H):** 0.25'-1.5' x 0.25'

**Bloom Color:** Red

**Bloom Time:** Summer-Fall

# Japanese Stonecrop

*Sedum kam. var. ellacombeanum*

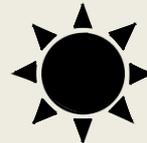

Low growing, mat forming cultivar with yellow flowers. Tolerates drought, shallow rocky soil, air pollution, and listed as a shade tolerant sedum & good under trees @ Tri-State Green Industry conference.

**Size (W x H):** 0.25'-1.5' x 0.25'

**Bloom Color:** Red

**Bloom Time:** Summer-Fall

# Indian Steel Blue Indian Grass

*Sorghastrum nutans* 'Indian Steel'

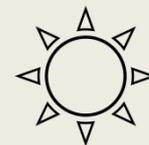

Upright grass with blue green leaves and excellent yellow fall color. Tolerates clay, poor, and infertile soils.

**Size (W x H):** 2-3' x 3-5'

**Bloom Color:** Tan- Yellow

**Bloom Time:** Summer-Fall

# Shrubs

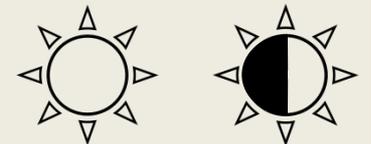

# Tiny Tower<sup>®</sup> Arborvitae

## *Thuja x 'MonRig'*

Bred from the Green Giant. More upright and compact habit. Gets an attractive coppery purple in winter.

**Size (W x H): 4' - 5' x 18' - 20'**

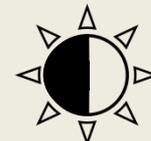

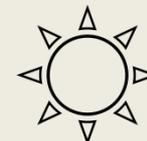

# Golden Jackpot<sup>®</sup> Barberry

*Berberis thunbergii* 'SMBTJ'

Large gold leaves, compact form, little to no pruning needed. Rust resistant.

**Size (W x H): 2' x 2'**

# Pugster Series<sup>®</sup> Butterfly Bush

*Buddleia x Pugster Blue*<sup>®</sup>, *Pugster Pink*<sup>®</sup>, & *Pugster Periwinkle*<sup>®</sup>

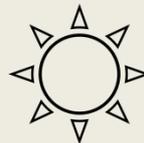

Dwarfed bushes with full size blooms!

**Size (W x H):** 2' - 3' x 2'

**Bloom Color:** Blue, Pink, & Purple

**Bloom Time:** Summer-Fall

# Pearl Glam® Beautyberry

## *Callicarpa x Pearl Glam®*

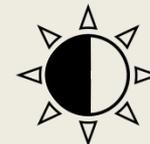

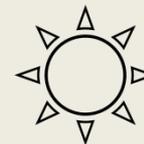

Newer variety with the same purple berries, but also purple leaves!

**Size (W x H):** 3' - 4' x 4' - 5'

**Bloom Color:** White

**Bloom Time:** Summer-Fall

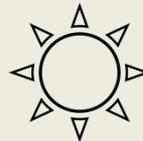

# Horstmann Blue Atlas Cedar

*Cedrus atlantica 'Horstmann'*

Dwarf variety with icy blue leaves.

**Size (W x H): 5' - 6' x 8' - 10'**

# Jade Enchantress Cherry Laurel

*Prunus laurocerasus 'Monarone'*

Improved diseases resistance. Fragrant creamy white flowers. Dense foliage.

**Size (W x H):** 6' x 3'

**Bloom Color:** White

**Bloom Time:** Spring

**Maintenance Tips:**

# Double Dynamite Crape Myrtle

*Lagerstroemia indica* 'Double Dynamite'

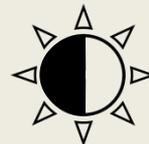

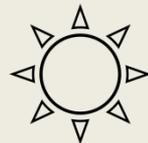

Newer cultivar. Part of Play It Again series of heavy blooming crapemyrtles.

**Size (W x H):** 5' - 10' x 5' - 10'

**Bloom Color:** Red

**Bloom Time:** Summer-Fall

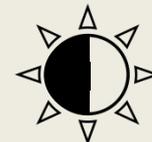

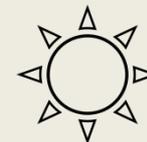

# Dwarf Japanese Cedar

*Cryptomeria japonica* 'Globosa Nana'

Retains dense dome shape with minimal care. Fine texture. Becomes rusty red in winter. Seldom browsed by deer, but can be occasionally.

**Size (W x H): 4' - 8' x 2' - 3'**

# Kodiak Red Diervilla

## *Diervilla x 'Kodiak Red'*

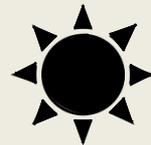

Newest addition to Kodiak Series. New growth continually emerges in red tones. Durable, drought tolerant, shade tolerant native shrub.

**Size (W x H):** 4' - 5' x 3' - 4'

**Bloom Color:** Yellow

**Bloom Time:** Summer

# Arctic Fire Redtwig Dogwood

*Cornus stolonifera* 'Arctic Fire'

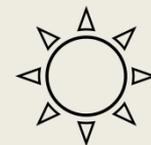

Compact red stems, and tolerant of a wide range of soil & light conditions. Prune all the way down every other year, or prune back by 1/3 every year to maintain stem color.

**Size (W x H):** 3' - 4' x 3' - 4'

**Bloom Color:** White

**Bloom Time:** Summer

# Invincibelle Series Hydrangeas

*Hydrangea* Invincibelle Wee White, Limetta, & Mini Mauvette

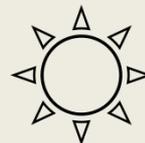

Wee White is the first dwarf Annabelle!  
Limetta features stronger stems & extremely long bloom time.

Mini Mauvette is a unique purple pink color with strong stems & long bloom time.

**Size (W x H):** 2.5' - 3' x 2.5' - 3'

**Bloom Color:** White, Green, & Pink

**Bloom Time:** Summer

# Tiny Tuff Stuff Mountain Hydrangea

*Hydrangea serrata* 'Tiny Tuff Stuff'

Hardy, reliable rebloomers, with delicate lacey flowers. No pruning necessary, but can be done after first bloom if desired.

**Size (W x H):** 1.5' - 2' x 1.5' - 2'

**Bloom Color:** Blue-Pink

**Bloom Time:** Summer

# Petite Plum Ninebark®

*Physocarpus opulifolius 'POIPD2'*

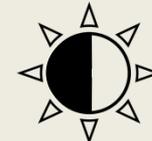

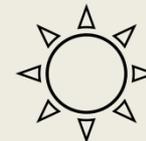

Compact mounded shrub with burgundy foliage and attractive blooms. Prune after flowering if desired.

**Size (W x H):** 4' - 5' x 5' - 6'

**Bloom Color:** Pink

**Bloom Time:** Spring

# Velveteeny Smokebush

*Cotinus coggygria* 'Velveteeny'

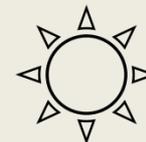

A dwarf smokebush! Yay!

**Size (W x H):** 3' - 4' x 3' - 4'

**Bloom Color:** Pink

**Bloom Time:** Summer

# Renaissance Bridlewreath Spirea

*Spiraea x vanhouttei 'Renaissance'*

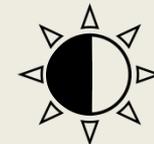

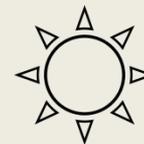

Brought back due to more and more plant requests 😊 An old fashioned type spirea, with high disease resistance, a large display of flowers, and orange/red fall color.

**Size (W x H):** 5' - 6' x 5' - 6'

**Bloom Color:** White

**Bloom Time:** Spring

# Aphrodite Sweetshrub

## *Calycanthus 'Aphrodite'*

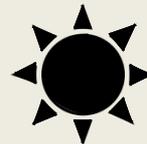

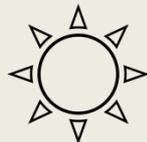

Thrives in heat and humidity! Fragrant Magnoli-like blooms that are long lasting. Seed pods & bark have spicy scent when crushed. Moist well-drained soils.

**Size (W x H):** 5' - 6' x 5' - 8'

**Bloom Color:** Red

**Bloom Time:** Summer

# Opening Day Doublefile Viburnum

*Viburnum plicatum* 'PIIVIB-II'

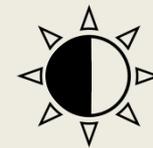

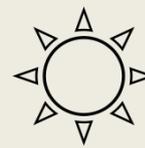

Compact plants covered with large snowball flowers. Compact habit and dark green leaves that turn wine red in fall.

**Size (W x H):** 5' - 8' x 5' - 10'

**Bloom Color:** White

**Bloom Time:** Spring

# Blue Puffball Chaste Tree

*Vitex agnus-castus* 'PIIVAC-II'

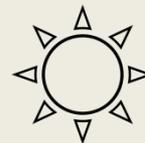

Bred for uniformly rounded shape, compact habit, and blue fragrant flowers in late summer- early fall.

**Size (W x H):** 3' - 4' x 3' - 4'

**Bloom Color:** Deep Blue

**Bloom Time:** Summer-Fall

# Golden Jackpot® Weigela

*Weigela florida 'MonRigney'*

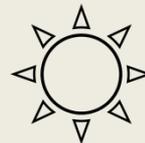

Bright yellow golden leaves with crimson pink flowers. Long bloom time. Heat tolerant.

**Size (W x H):** 4' - 6' x 4' - 6'

**Bloom Color:** Deep Pink

**Bloom Time:** Spring

# Trees

# Dream Catcher Cherry

*Prunus 'Dream Catcher'*

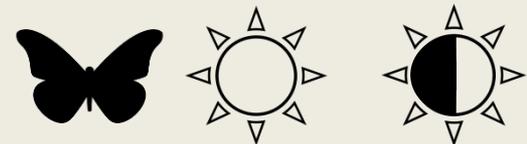

Large flowers on upright branches before dark green leaves emerge. Upright rounded habit, with orange/red/purple fall color.

**Size (W x H):** 15' x 25'

**Bloom Color:** Pink

**Bloom Time:** Spring

# Yoshino Cherry

*Prunus × yedoensis*

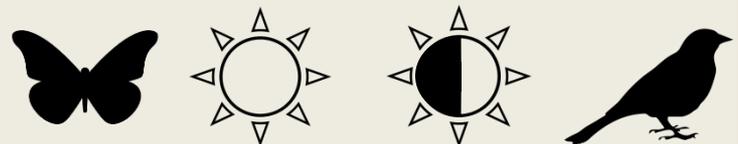

Fragrant profuse flowers followed by small black cherries that provide food for birds. Yellow- bronze fall color. Excellent broad rounded shape. Works well as shade tree & street tree.

**Size (W x H):** 25' x 25'

**Bloom Color:** White-Pink

**Bloom Time:** Spring

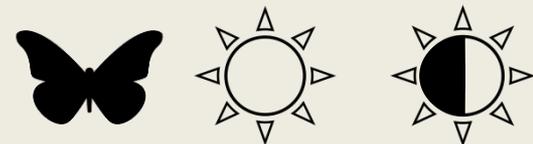

# Morioka Weeping Katsura

## *Latin Name*

Beautiful weeping form. Heart shaped eaves smell like cotton candy, especially after a rain. Mixture of yellow/orange/red/purple fall color.

**Size (W x H):** 20' - 30' x 30' - 40'

# Autumn Moon Japanese Maple

*Acer shirasawanum* 'Autumn Moon'

New growth emerges yellow to orange, to salmon, to chartreuse throughout the season. Fall color varies from shades of gold to red.

**Size (W x H):** Slowly reaches 6'-8' x 8'-12'

# Ribbon Leaf Japanese Maple

## *Acer palmatum* 'Atrolineare'

Small tree with elegant fine textured leaves that emerge bronze, turn green in summer, and red/orange in fall. Compact form, upright branching.

**Size (W x H): 5'-7' x 6'-8'**

# Jeddeloh Orange Japanese Maple

## *Latin Name*

A recent introduction, leaves emerge orange/red in color, changing to green in summer, and bright orange in fall.

**Size (W x H):** 5'-6' x 7'-8'

# Shaina Japanese Maple

## *Acer palmatum* 'Shaina'

Compact, dense form. Maroon red leaves. Great as a small accent.

**Size (W x H): 8'-10' x 6'-8'**

# Waterfall Japanese Maple

## *Latin Name*

Improved cascading green leaf maple with golden fall color.

**Size (W x H):** Slowly reaches 10'-12' x 8'-10'

# Chocolate Fountain Mimosa

## *Albizia julibrissin* 'NCAJ1'

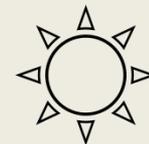

The first purple leaved mimosa! Pink flowers, small size, heat and drought tolerant.

**Size (W x H):** 12'-15' x 15'-20'

**Bloom Color:** Pink

**Bloom Time:** Summer

# Ombrella Mimosa

## *Albizia julibrissin* 'Boubri'

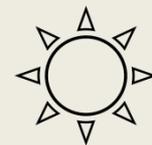

Fern like leaves with powder puff pink fragrant flowers. Does well in high heat and humidity.

**Size (W x H):** 30' x 30'

**Bloom Color:** Pink

**Bloom Time:** Summer

**Maintenance Tips:**

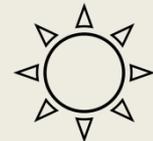

# Weeping Persian Ironwood

## *Parrotia Persicaria Pendula*

Attractive leaves emerge marron red, changing to green throughout season. Excellent fall color ranging from red to purple to gold. Weeping branches and multi colored bark provides winter interest. Tolerates urban landscapes.

**Size (W x H): 10'-12' x 8'-10'**

# Emerald City Tulip Poplar

*Liriodendron tulipifera* 'Emerald City'

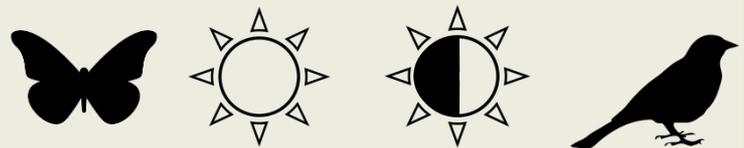

Newer introduction selected for uniform upright growth habit and glossy dark green leaves.

**Size (W x H):** 25' x 55'

**Bloom Color:** Yellow-Orange

**Bloom Time:** Spring

# Chinkapin Oak

## *Quercus muehlenbergii*

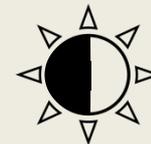

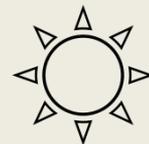

Unique leaves with sawtooth edges that resemble chestnut leaves. Tolerates dry soils. Acorn is sweet and edible.

**Size (W x H):** 50'-70' x 40'-60'

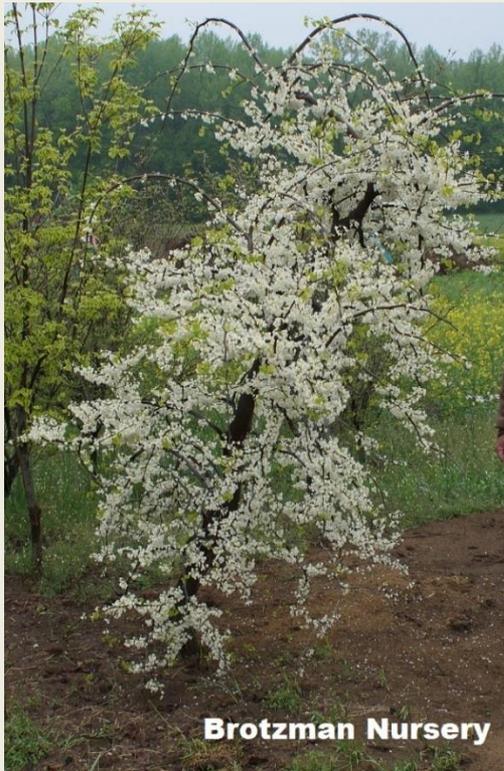

**Bloom Color:** N/A

**Bloom Time:** N/A

# Vanilla Twist Redbud

*Cercis canadensis* 'Vanilla Twist'

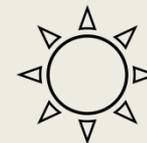

Weeping habit with white flowers

**Size (W x H):** 6-8' x 10-12'

**Bloom Color:** White

**Bloom Time:** Spring

# Cotton Candy Redbud

## *Cercis canadensis* 'Sjo'

A selection with pale pink and white flowers.

**Size (W x H):** 10-15' x 15-25'

**Bloom Color:** Pale Pink & White

**Bloom Time:** Spring
